

Want more sales?

Dynamic Networks and Consulting specialises in the installation, configuration and support of PC networks and workstations to small and medium sized businesses as well as home users. DNC services the Sydney region.

Microsoft Certified
Professional
Systems Engineer

If you have customers requiring ON-SITE assistance with:

- Setting up a Network
 - Installing a PC
 - A computer virus
- Setting up the internet and E-mail
- Re-installing Microsoft Windows®
 - Tutoring

Why use DNC?

- You can supply a value added service – Clinch that deal by being able to offer your customers:
 - PC installations at their home or office
 - Networking of the computers they buy from you
 - Tutoring in the use of their PC or the internet / E-mail
 - You supply the hardware and software and *DNC* can do the rest
 - Free up your technician to do other work
 - Be able to handle the smallest job to large ones
 - You don't waste valuable time driving around Sydney
 - Have expertise on hand you may not currently possess
 - MCSE qualified with over 7 years experience in the PC industry
- Best of all –**
- You get paid an ***on-going commission*** for every successful referral
