EDITORIAL

"One of the hard things to do, as editor, is report bad news! It seems like every month there needs to be news of one our members passing away, of sickness, etc. In these circumstances, we can only pray for those affected, hope that those close to them can offer support.

On Christmas Day, the first large fire burst out of the hills and destroyed homes to the west of Tomerong in the Shoalhaven region.

One of these homes was that of Julie & Graeme Wheeler, our very committed members down south - they were only able to save their dogs, cat and little else.

(As I write this, fire is burning 2km away from me at Nth Epping and many more may be threatened. We hope no one else among our members will suffer similarly to the Wheelers in this fortnight of fire)" *Ed.*

Committee Notice: The Committee would like to extend, on behalf of all members, our sadness at your loss Julie & Graeme, and our thankfulness that you are unharmed. **Eddie & Eileen Lyon** are the **Committee's nominated contacts** for members wishing to assist Julie & Graeme, or any other victims. **Please ring the Lyon's on (02) 9349.1491 to offer assistance.**

If anyone has photos, or details of family history, related to the Wheeler's, or spare copies of books, etc., I am sure these would be appreciated.
